

Arivu AI - Mathematics Foundation Notes

1. Numbers

[illegible]

2. Algebra

[illegible]

3. Coordinate Geometry

[illegible]

4. Trigonometry

5. Functions

6. Calculus Intro

7. Probability

8. Statistics

[illegible]

Mean, median, mode, variance.

9. Matrices

Addition, multiplication, determinants. Addition, multiplication, determinants. Addition, multiplication,
determinants. Addition, multiplication, determinants. Addition, multiplication, determinants. Addition,
multiplication, determinants. Addition, multiplication, determinants. Addition, multiplication,
determinants. Addition, multiplication, determinants. Addition, multiplication, determinants. Addition,
multiplication, determinants. Addition, multiplication, determinants. Addition, multiplication,
determinants. Addition, multiplication, determinants. Addition, multiplication, determinants. Addition,
multiplication, determinants. Addition, multiplication, determinants. Addition, multiplication,
determinants. Addition, multiplication, determinants. Addition, multiplication, determinants. Addition,
multiplication, determinants. Addition, multiplication, determinants. Addition, multiplication,
determinants.

10. Vectors

[illegible]

11. Exam Tips

Practice, formulas, time management. Practice, formulas, time management. Practice, formulas,
time management. Practice, formulas, time management. Practice, formulas, time management.
Practice, formulas, time management. Practice, formulas, time management. Practice, formulas,
time management. Practice, formulas, time management. Practice, formulas, time management.
Practice, formulas, time management. Practice, formulas, time management. Practice, formulas,
time management. Practice, formulas, time management. Practice, formulas, time management.
Practice, formulas, time management. Practice, formulas, time management. Practice, formulas,
time management. Practice, formulas, time management. Practice, formulas, time management.
Practice, formulas, time management. Practice, formulas, time management. Practice, formulas,
time management. Practice, formulas, time management. Practice, formulas, time management.

12. Summary

[illegible]
